Deputy Commissioner L. W.
 R. S. & B.

Dear Sir:

ESQUIMALT DIST.

I beg to petition your department for a road into my property section 56 Gold stream District from Cooke road near the ~~the~~ Seventeen mile house. There are at present two fine homes on Sections 57 & 56 there are several more settlers wishing to build in this locality. But are waiting for a road being built before erecting homes. I am putting this petition before your department. I may safely say that a road through this magnificent Country will be of great benefit to the District in general. It is also to those who desire to erect homes for themselves.

I trust that you will give this petition
your favourable consideration

Yours with Respect

J. B. Mac Nutt
